Dear Parents and Carers,

I am writing to share with you the published Estyn inspection report for Prendergast Community Primary School, following the recent inspection in March.

The Estyn report provides an independent evaluation of the school's work and recognises many strengths across teaching, learning, wellbeing and leadership. It also identifies areas for further development, which we are already addressing as part of our ongoing school improvement planning. The full inspection report is attached to this letter for your information. In addition, Estyn has produced a parent and carer summary which is available on the Estyn website, [Latest inspection reports - Estyn](#).

We appreciate that you may have questions after reading the report. To support this, we will be holding a curriculum event and a question and answer session for parents and carers on **Tuesday 12th May, between 3.30 p.m. and 6.00 p.m.** This will provide an opportunity to discuss the report and our next steps as a school.

Thank you for your continued support and partnership with Prendergast Community Primary School.

Yours sincerely,

L John
