21st May 2024

Dear Parent/Carer

Family and Community Engagement Project (FACE)

I'm so pleased that you've agreed to join us for the following workshops, starting this Friday 24th May. We are very excited to have this opportunity and value your involvement and feedback throughout.

We have some exciting activities planned, the focus of which, is to provide an overview of how and what we teach your children. During the session you will be shown strategies to help build skills for you to effectively support your children in their learning and progression.

Studies have shown that children progress best when school and home, work together in providing a cohesive learning environment.

Our aim is to provide you with a better understanding of the skills your child is taught in school and the ways you can reinforce and develop the skills they learn to progress. We understand the value and importance of keeping our parents upskilled, well-resourced, and confident in this joint endeavour.

I'm really looking forward to welcoming you to school this Friday morning. Please arrive for 9am and a member of staff will be there to meet you and the other parents involved.

The workshop is for 1 hour, refreshments and all resources are provided.

Please do not hesitate in contacting the school if you require any further information or are unable to attend.

Yours faithfully,

Mrs Claire Edwards
